

The Crosstown

Eglinton-Scarborough Transit Project

Community Update

Tuesday, April 26

7:00 p.m. to 8:30 p.m.

St. Clement's School, Auditorium

21 St. Clements Avenue (north of Yonge and Eglinton)

This meeting is for members of the community to learn more about the **Crosstown**, which will provide rapid underground transit across the Eglinton corridor, linking subway lines and replacing the Scarborough RT with modern, reliable service.

The update will be provided by the TTC and Metrolinx, followed by a moderated Q&A session.

This event is brought to the community by Councillors Josh Colle, Josh Matlow, Joe Mihevc, John Parker, Jaye Robinson, and TTC Chair, Karen Stintz.
