Garbage and recycling bin requests

ARECA has received a number of concerns and questions from residents regarding the garbage and recycling bin program. A representative from ARECA met with Councillor Stintz recently to discuss the garbage and recycling bins program and was advised that residents who have a special request regarding bin size such as wanting two medium sized bins instead of one large size can email their request to Target70@Toronto.ca. If they have special circumstances such as a very small space to store the bins or if they are elderly and cannot manage the larger bins, then the city will accommodate the request.

ARECA is a volunteer community association representing the views of residents in matters that affect our community in North Toronto.
