**RIOCAN**

ARECA understands that nothing yet has been done about the noise from the RIOCAN buildings at Yonge & Eglinton. Numerous residents are still complaining but ARECA expects that this issue will not be dealt with until RIOCAN's application to develop the north west corner is resolved.

**Eglinton Park**

Recently ARECA noticed that the wooden steps leading down to the park from Oriole parkway had become overgrown with the nearby trees, shrubs and weeds. ARECA believed that this was a matter of public safety and went directly to the city departments concerned to have the matter resolved. City Parks & Recreation and City Forestry agreed to clear the site and to improve visibility. There is now a clear site line from the top of the steps to the park. ARECA has asked that the graffiti now be removed. ARECA will be a member of a Safety Audit of Eglinton Park that will be undertaken in October.

**ARECA AGM**

The Annual General Meeting will be held on Monday, November 9<sup>th</sup> at 7 pm at the North Toronto Memorial Community Centre. ARECA will be inviting an interesting panel to discuss the future of the Yonge & Eglinton Intersection. It is expected to be a lively meeting.
